3. If the information *did not* match the data system, a message like below will appear. A new user must be listed as a Guardian, Father, or Mother of the student and all information about the user must match exactly with what is in the system. If you believe all the information is typed correctly and you are getting the message below, please contact your child's school to verify/update your information or to see if a fee is owed.

4. If the information *did* match with the data system, a screen like below will be shown. Enter a User Name, then enter the desired Password (twice). Click on "Complete" to finish the new user registration.

The screenshot shows a web form titled "Register New User" with a sub-header "Step 2: User Creation". At the top left is a "Cancel" button. Below it, on the left, is a red circle containing the number "4". Two red arrows originate from this circle: one points to the "User Name" input field, and the other points to the "Complete" button. To the right of the "User Name" field are three stacked input fields labeled "User Name", "Password", and "Confirm Password". A red bracket groups these three fields. At the bottom right is a "Complete" button.

*For questions regarding information about your child, please call the school.

*Grades will not be available if the student owes any fees.

*Parents/Guardians are not able to change information through this portal.
